

JJC Aviation Headset Hanger Screw

This Stainless Steel #8 x 1" male snap half tapping screw can be used if a longer screw is required for the JJC Aviation Universal Aviation Headset Hangar. This will replace the standard #8 x 5/8" screw that comes with the Headset Hangar.

INSTALL INSTRUCTIONS

Follow the Headset Hanger install instructions using this screw instead of the standard 5/8" screw. The washer that comes with this screw should be installed between the spacer and the mounting surface to provide a swivel surface for the hanger. **Do not over tighten.** When you finish the Headset Hanger should swivel freely around the spacer.

LIMITED WARRANTY

JJC Aviation Inc. warrants this product to be free of defects in manufacture for a period of one year from the date of purchase by the original retail purchaser. This warranty is not transferable to any other purchaser or user of the product. JJC Aviation's liability is limited only to the repair or replacement of the defective product. We are not responsible for problems related to misuse, abuse, improper installation, or damage to other aircraft components or systems. To obtain service under this warranty the purchaser must contact JJC Aviation Inc. to obtain an RMA number before the product will be accepted for repair. Items shipped to JJC Aviation Inc. without an authorized RMA number may be returned to the sender without being repaired. Once the RMA has been issued the product must be returned to the address below. The RMA number should be clearly written in on the outside of the package. It is the responsibility of the sender to properly package the product. The shipment must be prepaid. JJC Aviation Inc. cannot accept packages sent collect or postage due. Once the item has been received JJC Aviation Inc. will notify the sender and provide an estimated return date. JJC Aviation Inc. will repair or replace the defective product at their discretion. Once service has been completed JJC Aviation Inc. will return the product prepaid to the indicated return address.

For Warranty services obtain an RMA and return to this address:
